Members' Meeting 2014

Dear GSO-MI students and alumni,

I herewith cordially invite you to our annual alumni meeting:

**Saturday, December 6, 2014, at 4:00 p.m.,
room L207, business administration faculty
(Bahnhofstraße 87, across from the institute)**

Join us to learn about this year's activities and the achievements made by our alumni working group. Actively shape the future of our organization by participating in the elections of board and extended board members as well as support function members.

You can run for any position shown in our attached organizational chart (s. *attachement 1*). I would like to point out that after 5 years as the president of our association I will not be available for re-election. Therefore I hope for a dedicated successor (m/f).

If you would like to run for an office please follow the required procedures:

1. Read the details on election requirements. They can be found in our rules of procedure (s. *attachment 2*, §11).
2. Announce to the election supervisor or his deputy by e-mail your willingness to run for a certain office and to execute it for the next two years
 - election supervisor: Tobias Münster, tobias@sotomue.de
 - deputy election supervisor: Andreas Miebach, andreas_miebach@hotmail.com
3. Pay attention to the deadline for filing your application: October 25, 2014

As it is tradition right after our meeting we will continue our talks at the Management Institute's Christmas party and intensify our networking with students and alumni alike.

I am looking forward to seeing you at our members' meeting.
